Caring for
Healthier Life

ABOUT US

Syndicate Medicare Pvt. Ltd. founded in (2004), Known as Syndicate Overseas earlier has been delivering its uninterrupted services to the health care sector in India for almost (OVER TWO) decades now.

We offer a growing portfolio of 200 plus products, including prescription generic, bio-similar drugs, as well as over-the-counter (OTC) remedies.

Our workforce is dedicated to create better health for a better world. We apply science and global resources to deliver innovative therapies that extend and significantly improve lives.

Syndicate Medicare Pvt. Ltd. is focus on delivering outcomes that meet important medical needs. Our biggest goal is to make quality medicines more accessible and more affordable in the country and provide solutions for tomorrow health challenges.

Our company plans to operate PAN India and to extend its overseas operation in the future. Our group is managed by skilled professionals who come with years of experience in the healthcare industry and are well acquainted with the challenges experienced by people.

So, let's join hands for mutual benefits to achieve newer heights with our accessible range of Quality Products at Economical Prices and promote generic medicines in the Healthcare sector, to make them available to all.

SYNTOF 5

TABLET

Tofacitinib is an Janus kinase inhibitor.
It works by blocking the action of the enzyme, Janus kinase.
This decreases inflammation and joint damage in rheumatoid arthritis.

Composition: Tofacitinib 5mg

Reduce joint pain, swelling and further joint damage in Rheumatoid Arthritis.

Approved for adults with moderate to severe Ulcerative Colitis in who tumor necrosis factor (TNF) blockers did not work well or cannot be tolerated.
